# Hands-on Task: Creating a Portal Experience

<https://gallery.support.brightcove.com/get-started/step-step-creating-and-publishing-portal-experience.html>

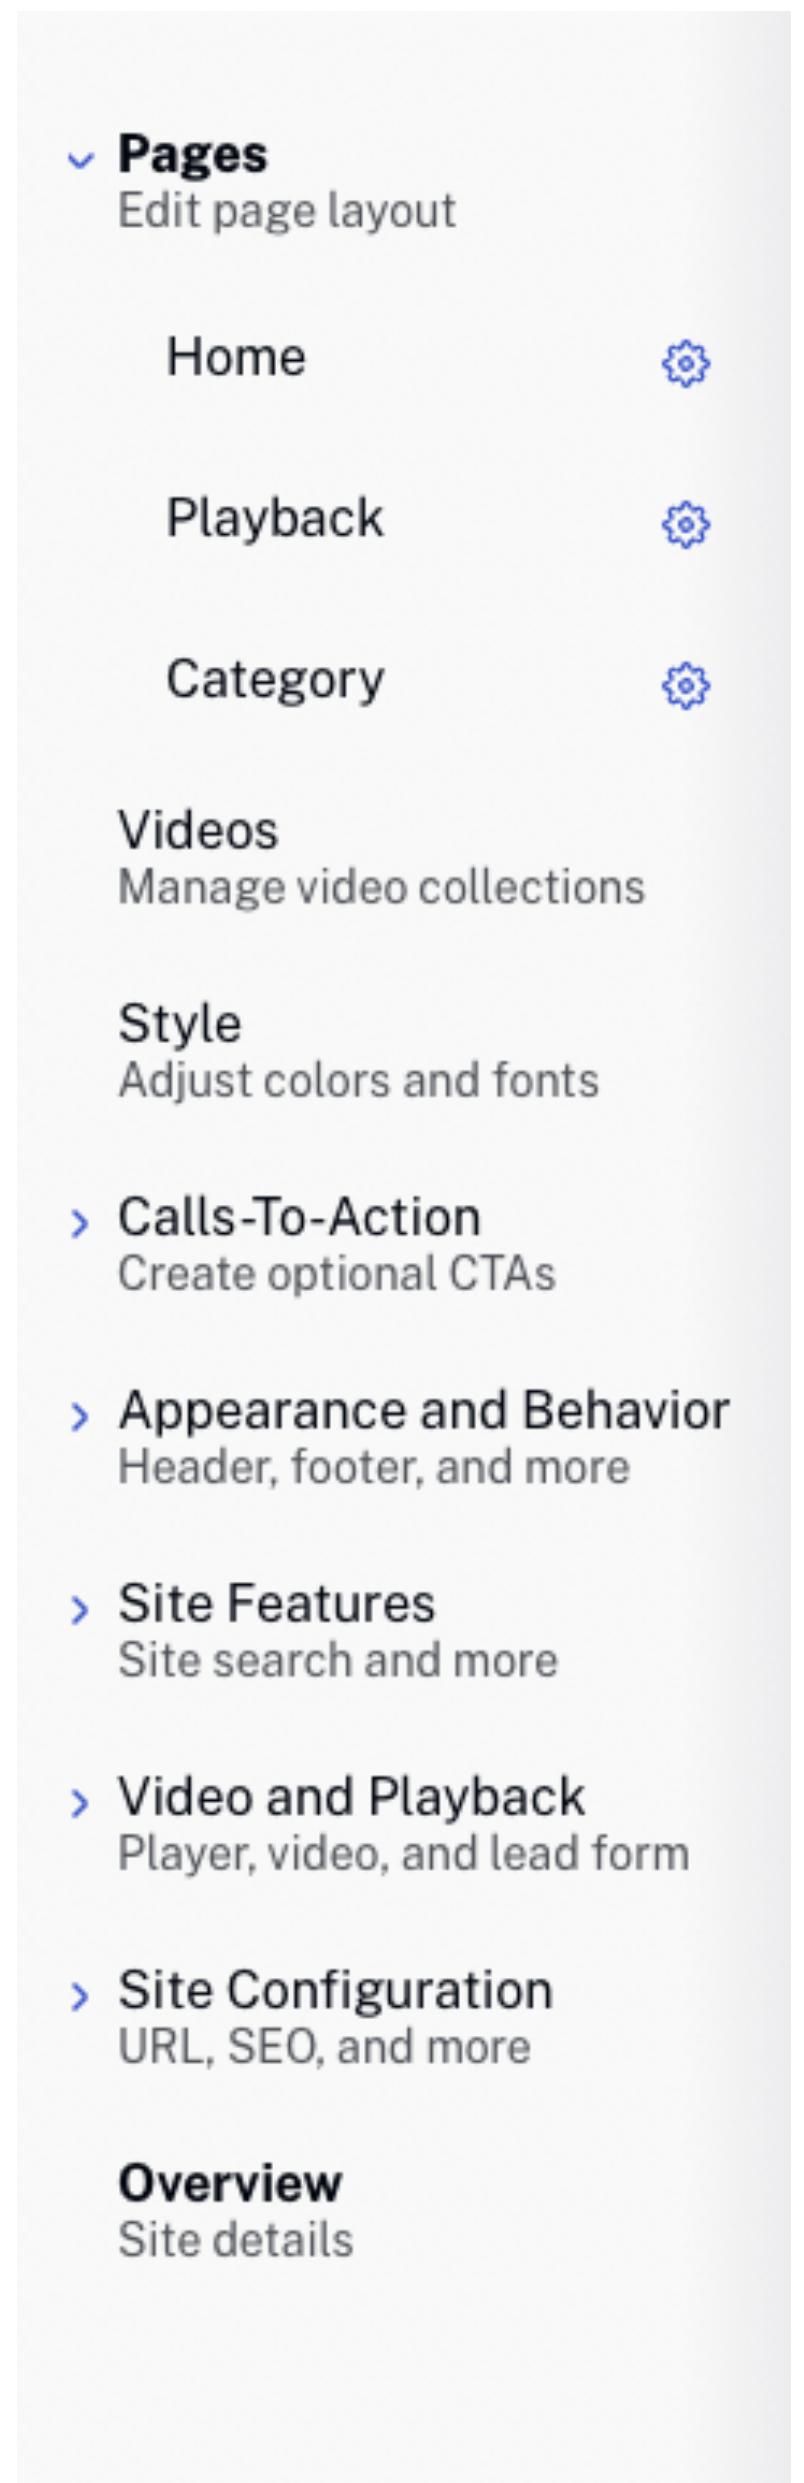

For more information on this topic:

<https://gallery.support.brightcove.com/get-started/creating-and-managing-gallery-experiences.html>

# Adding Objects to Pages

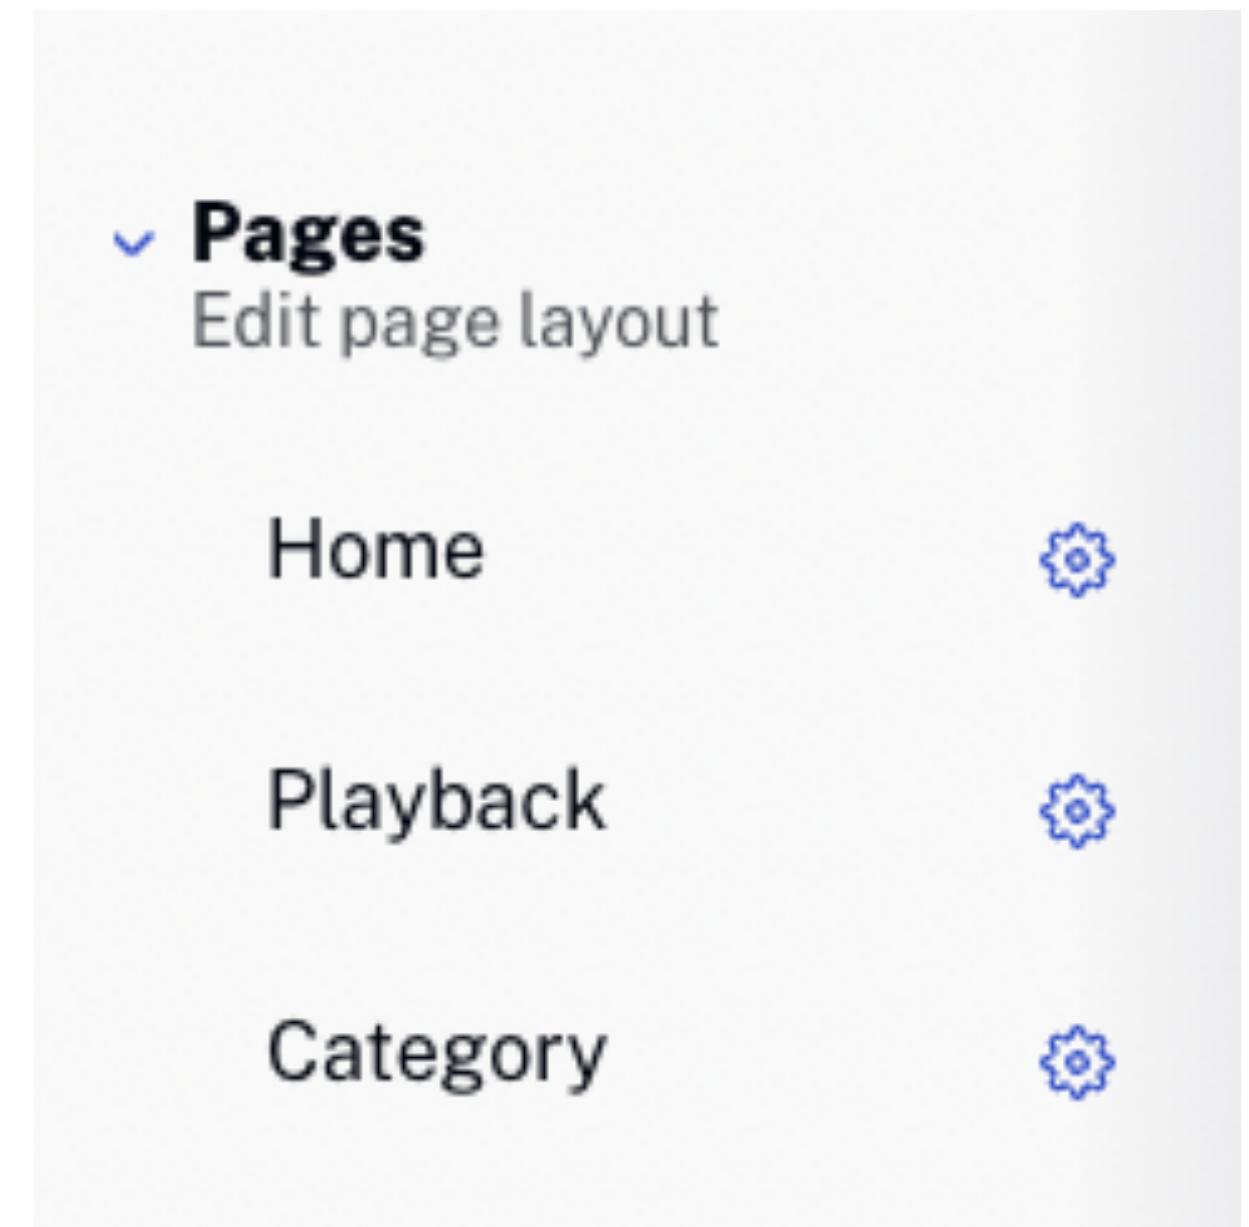

# Gallery Site Editor

- To edit an experience, click the **Title** on the **Experiences** page
- Portal properties configured using left navigation menu

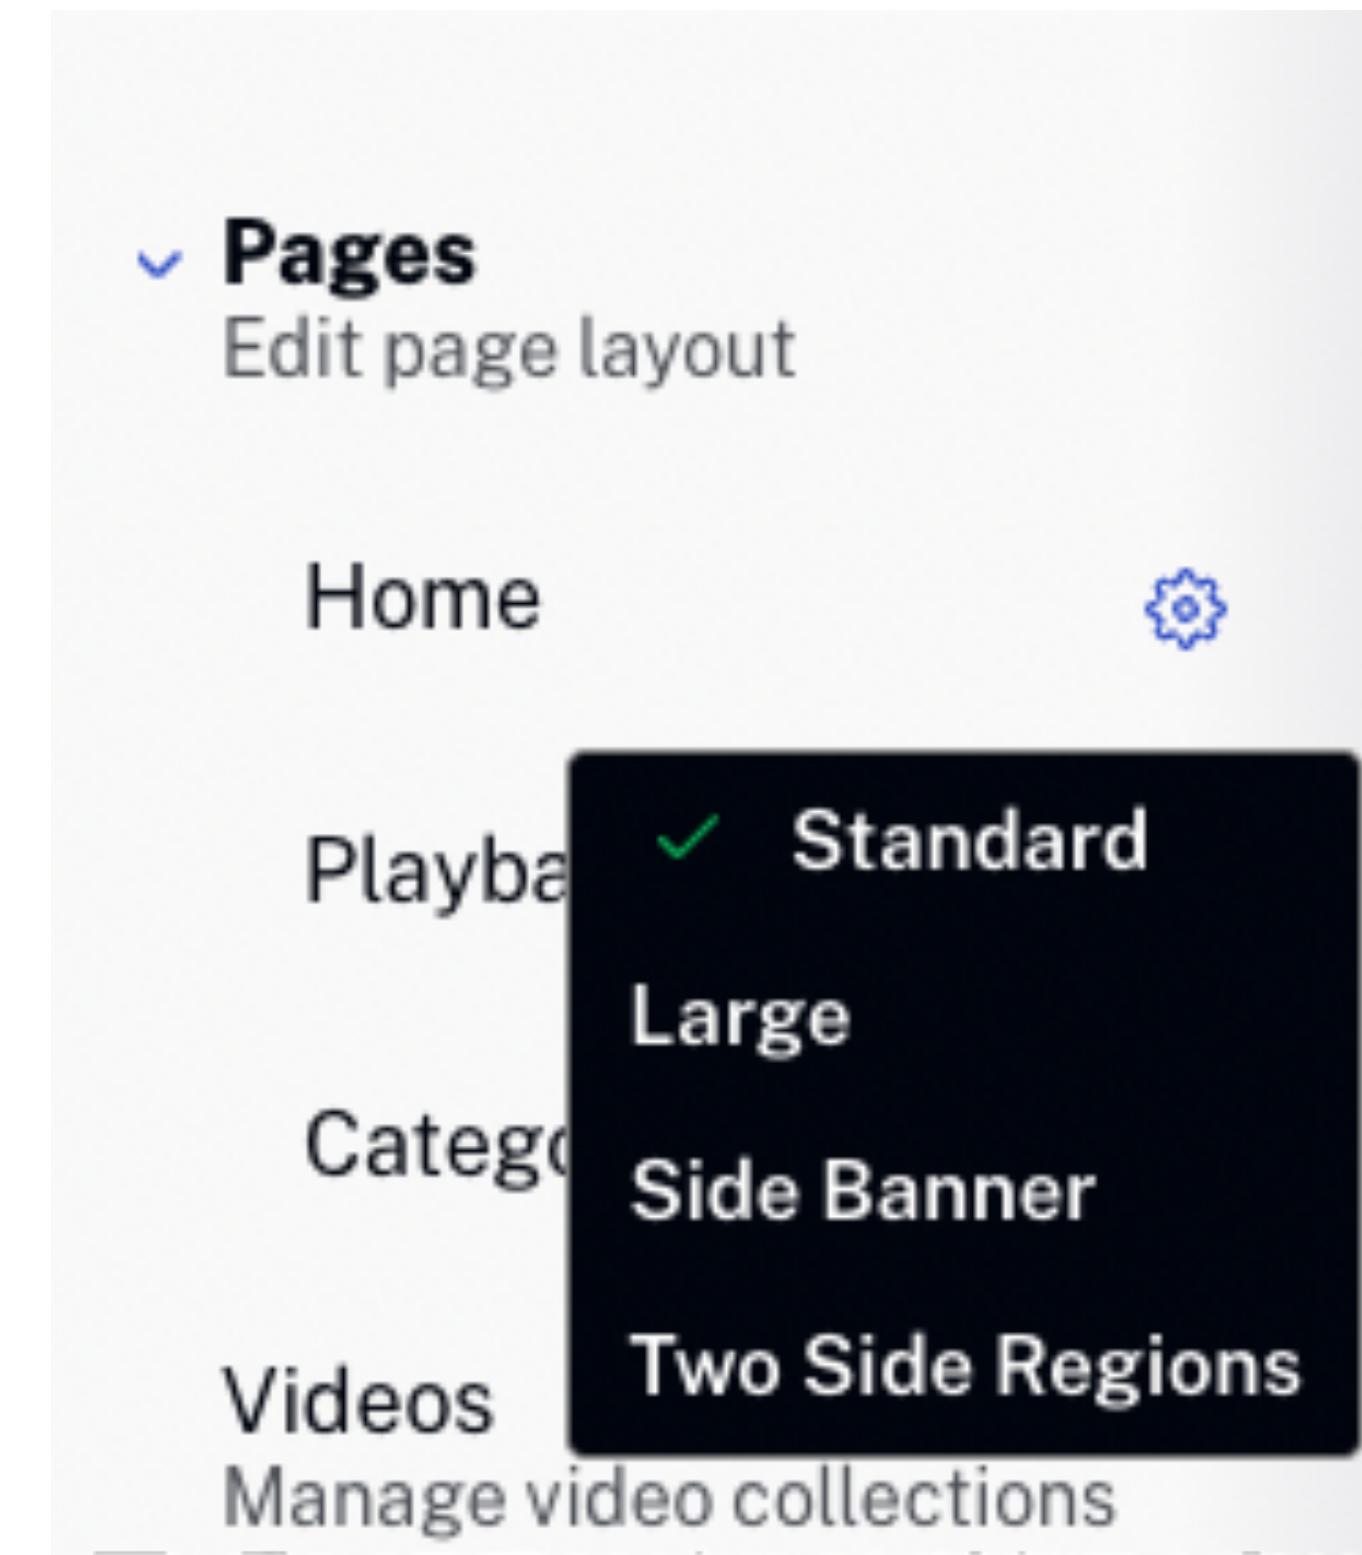

# Page Navigation

- Based upon the template that is selected, a set of pages templates will be available
- Page templates listed under **Pages** menu
- Click a page name to view/edit the page contents
- Example - **Home**, **Playback** and **Category** pages are available to edit

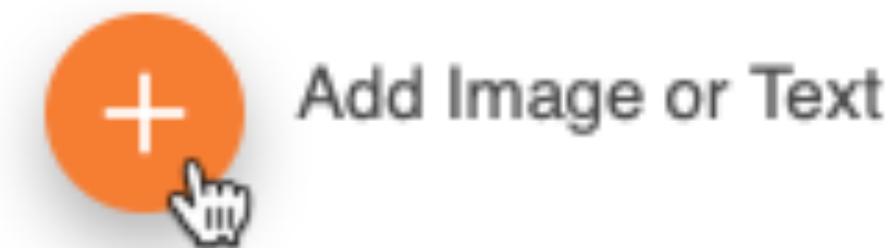

# Editing the Player Layout

- Some page templates provide the ability to change the player layout
- Click **Change Layout** and select a new layout

# Editing the Page Content

- Placeholders on the page indicate where images/text can be added

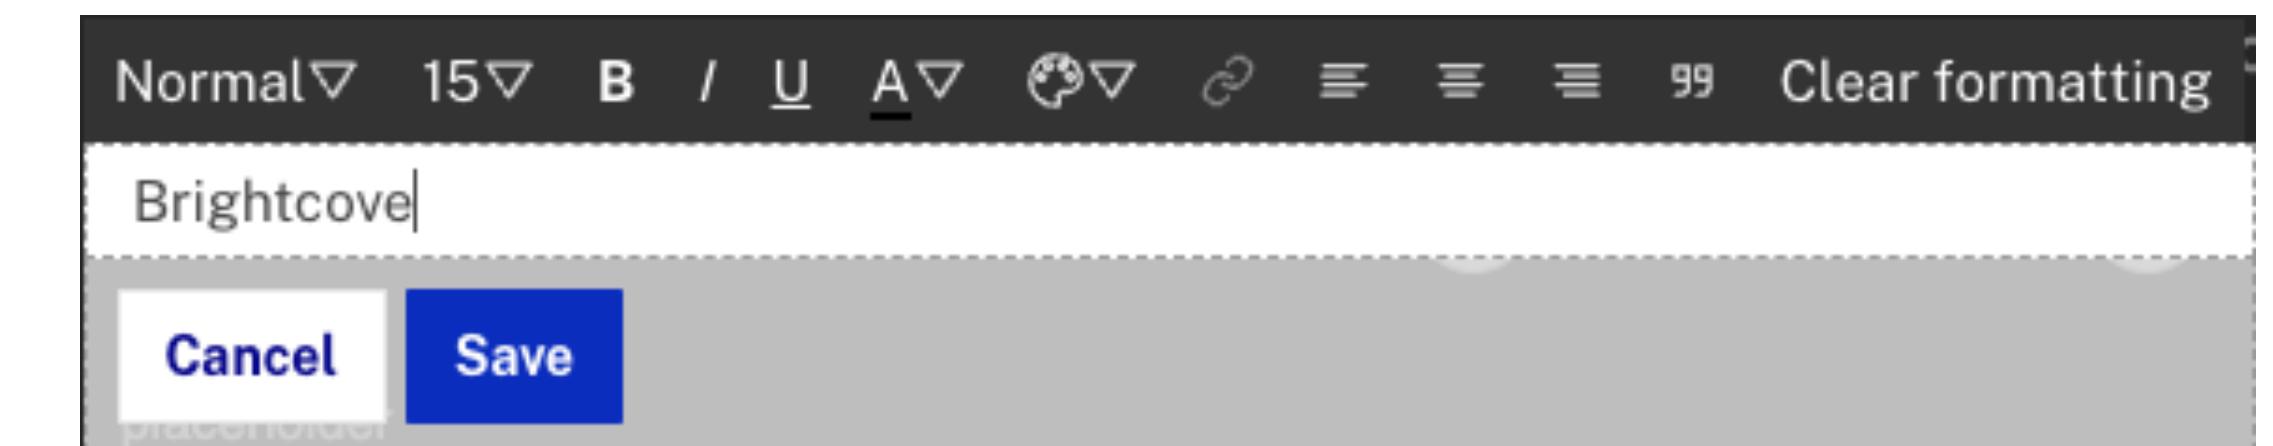

- Click a placeholder to add content

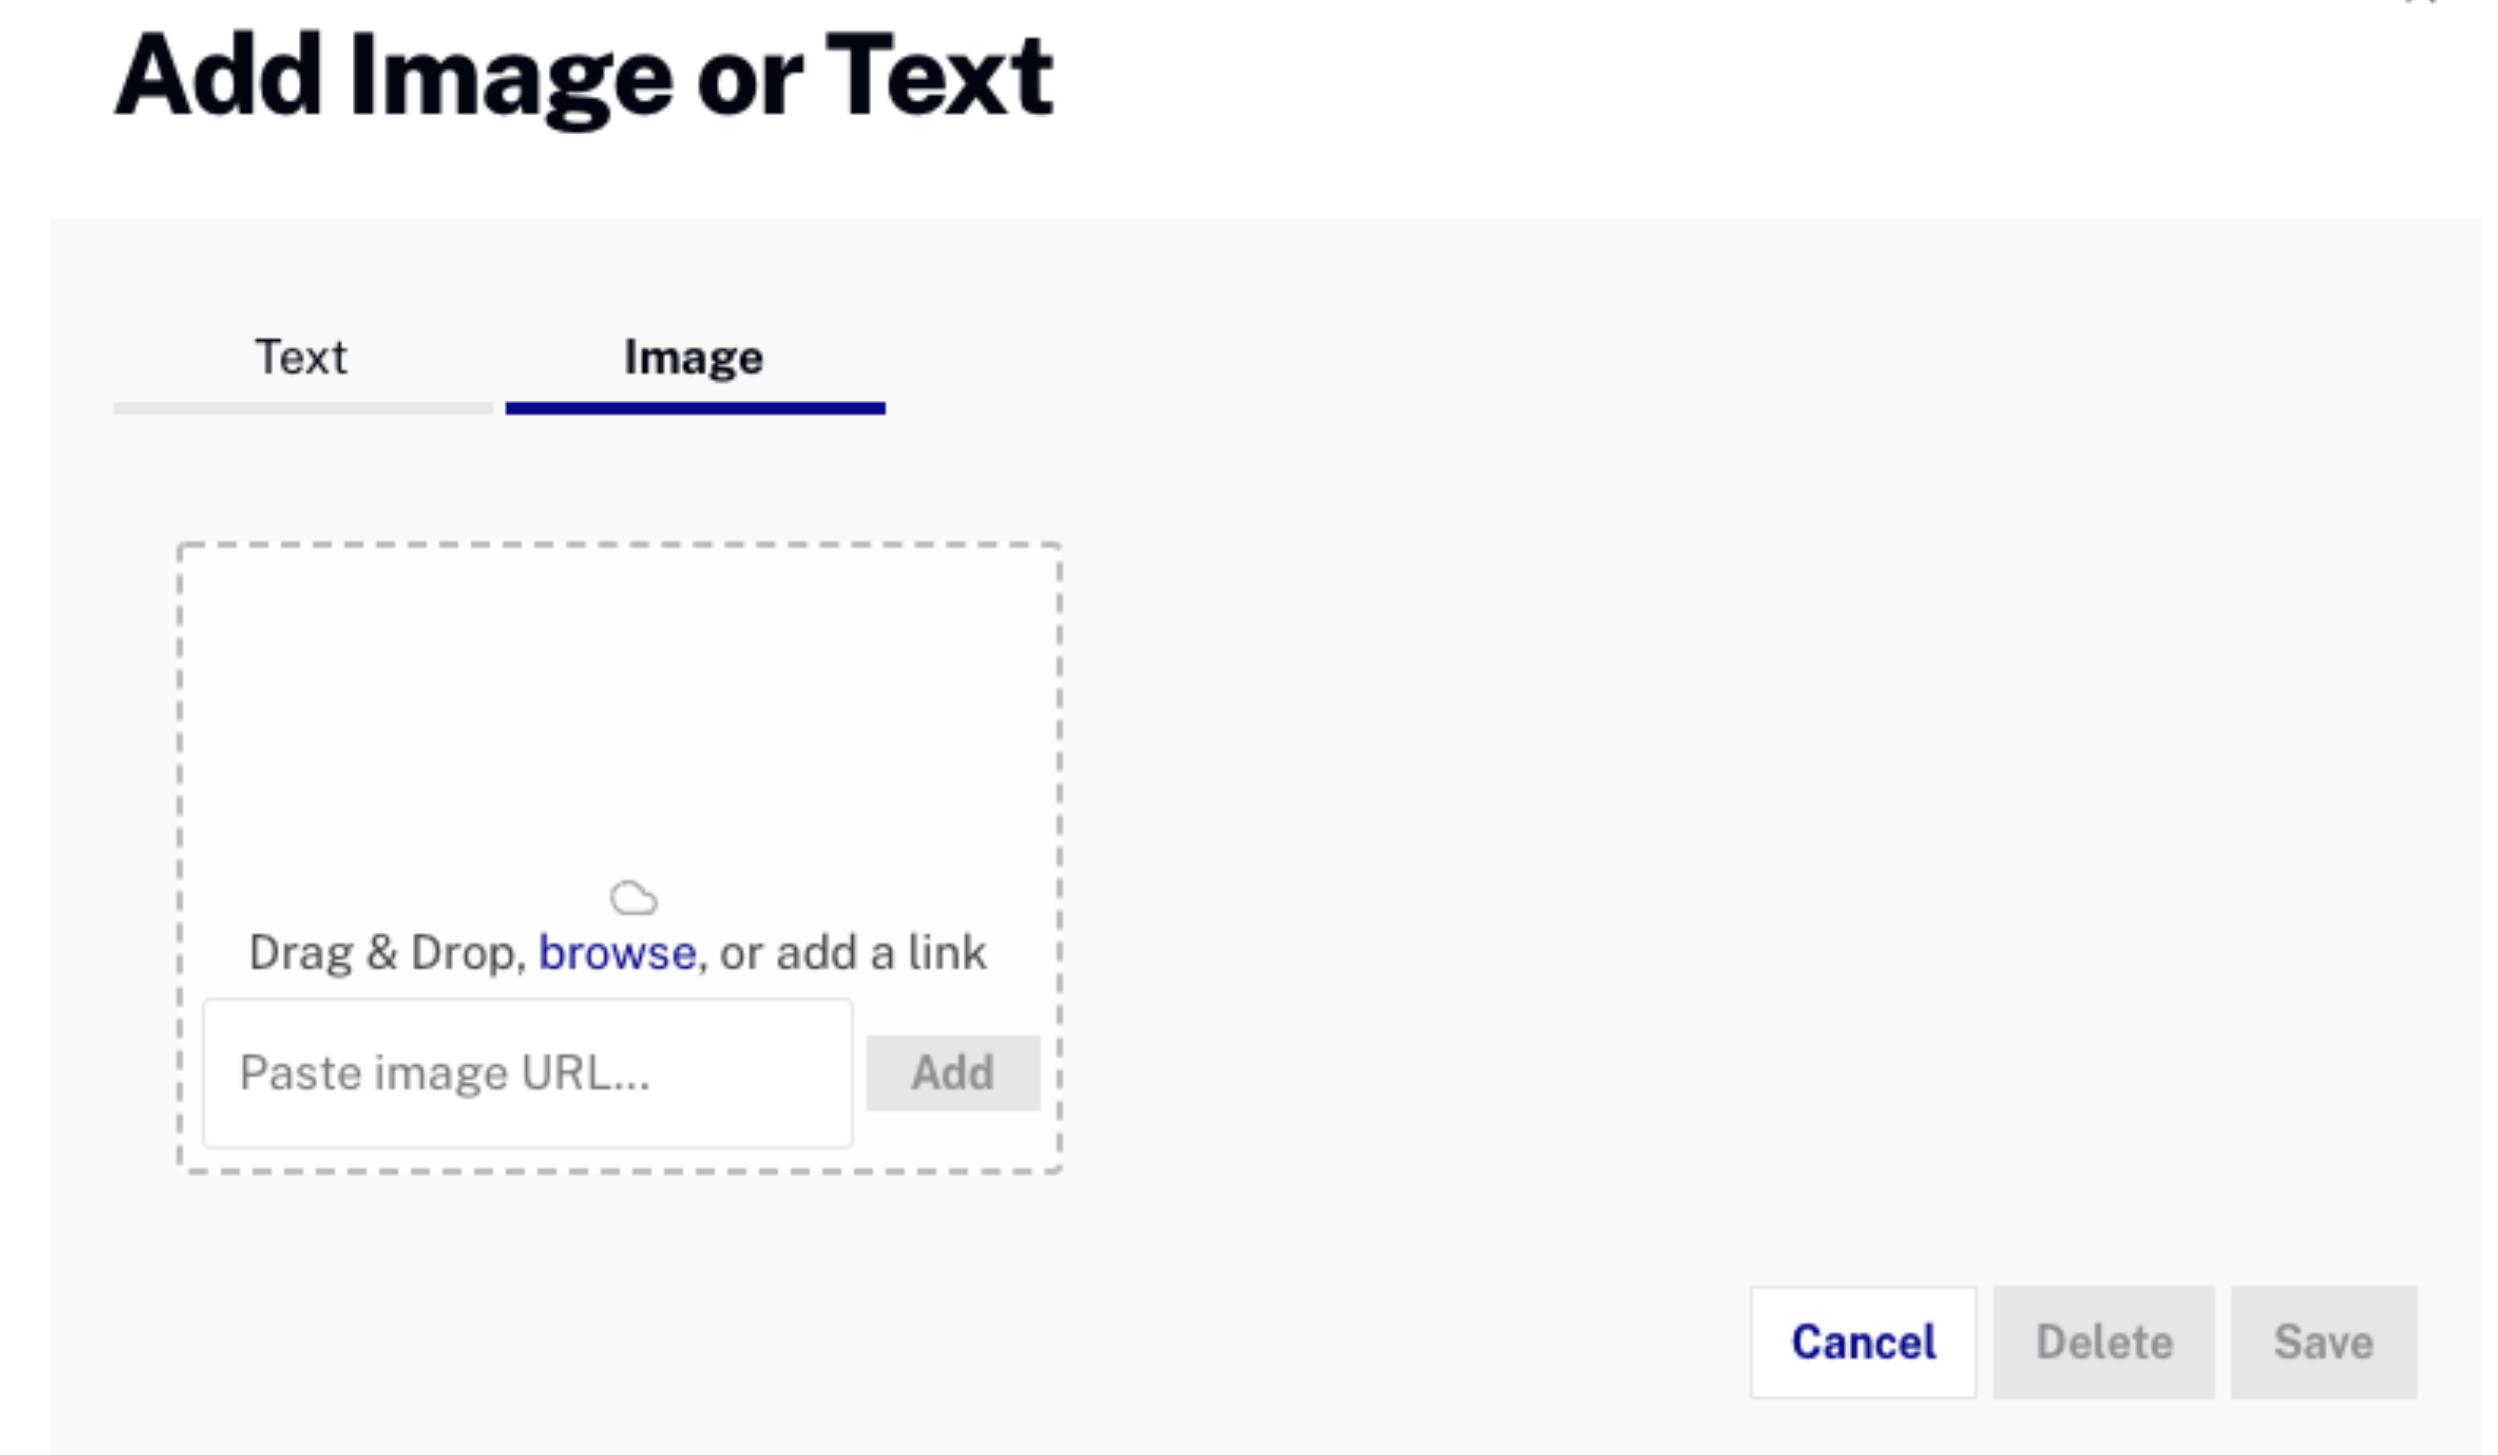

- To edit a text object on the template, click it

- Use the editor to add text

# Adding an Image

- Click  Add Image or Text
- Click **Image** tab
- Browse and select an image

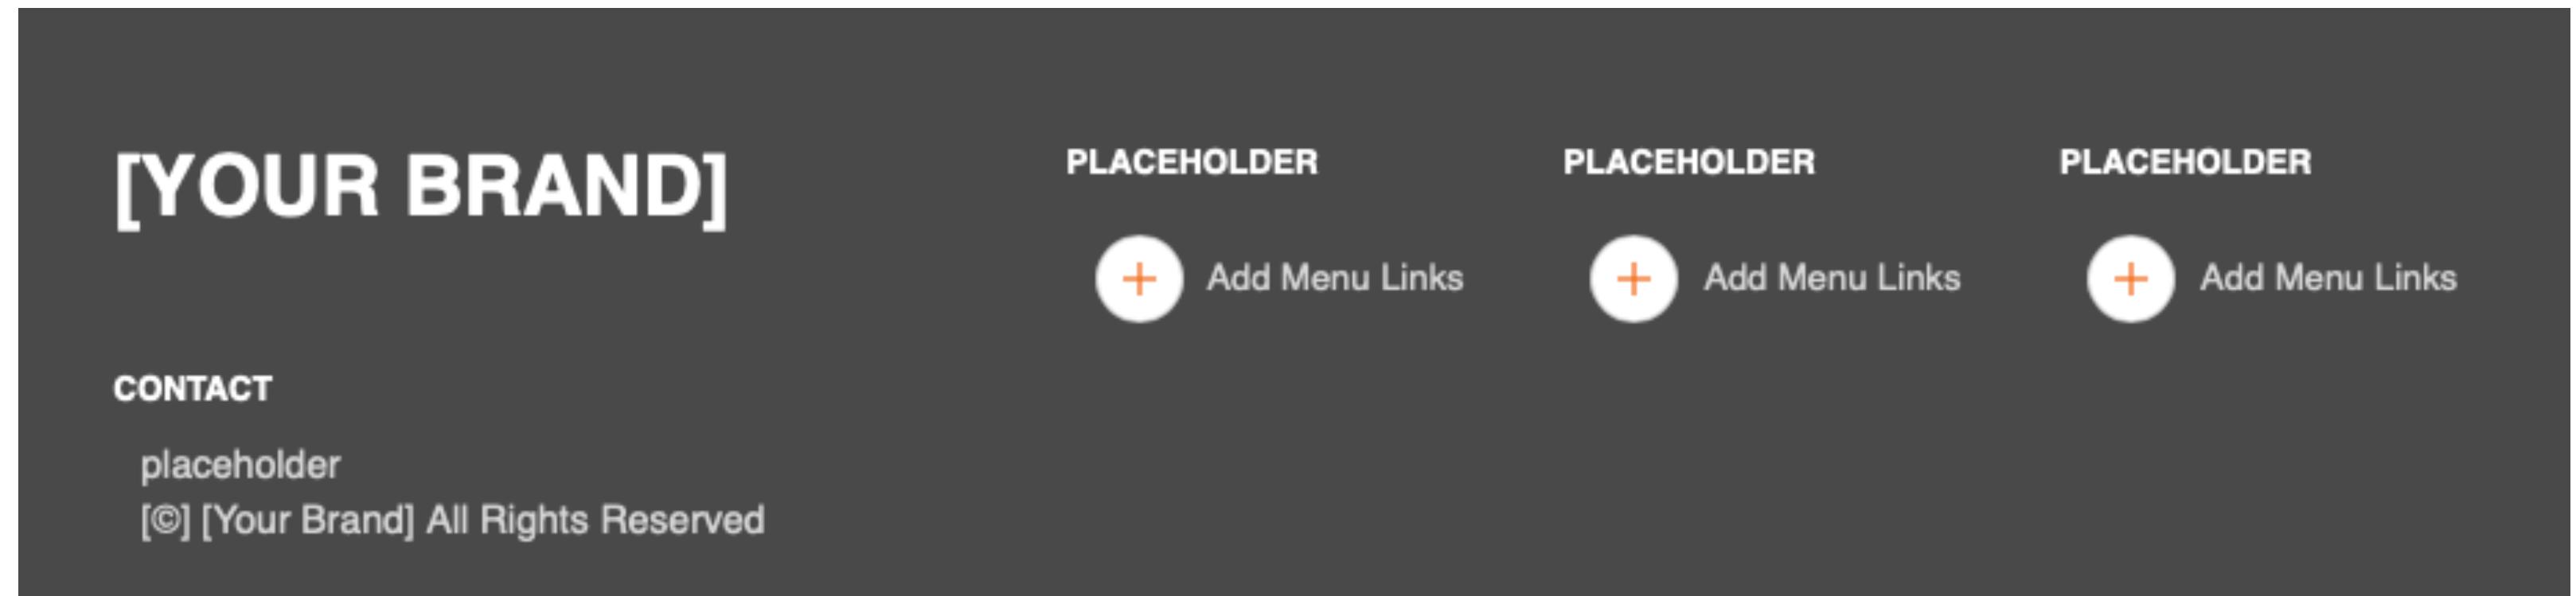

# Adding Text

- Changes made to the page will appear real-time

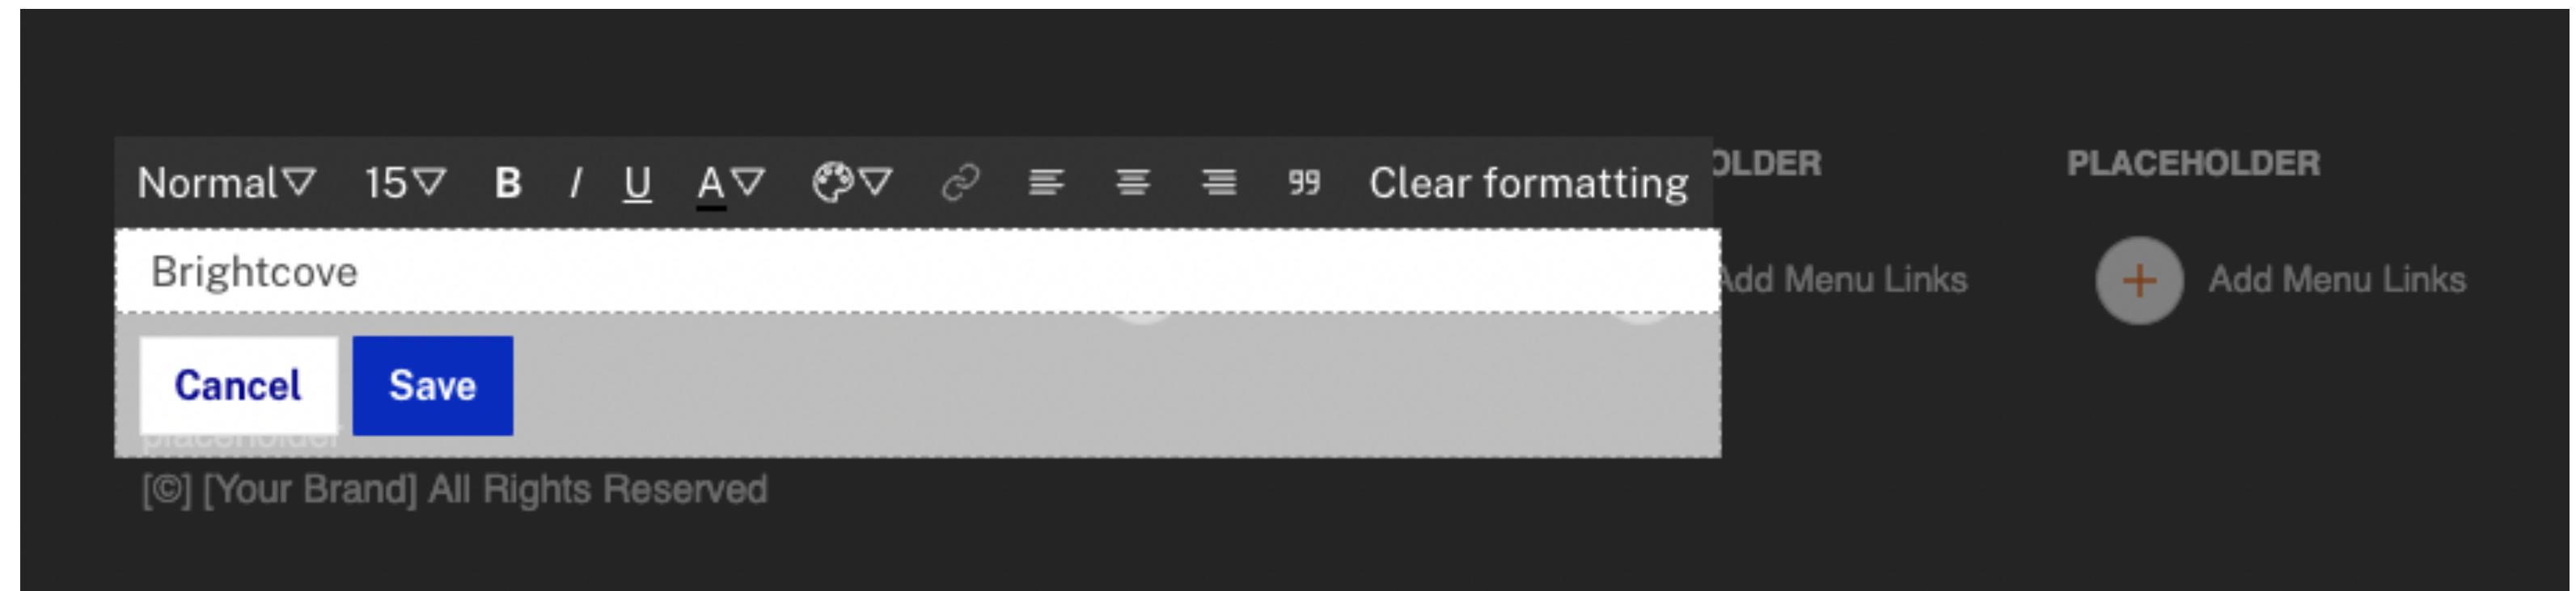

# Adding Text

- Click a text placeholder

- Enter the text, click **Save**

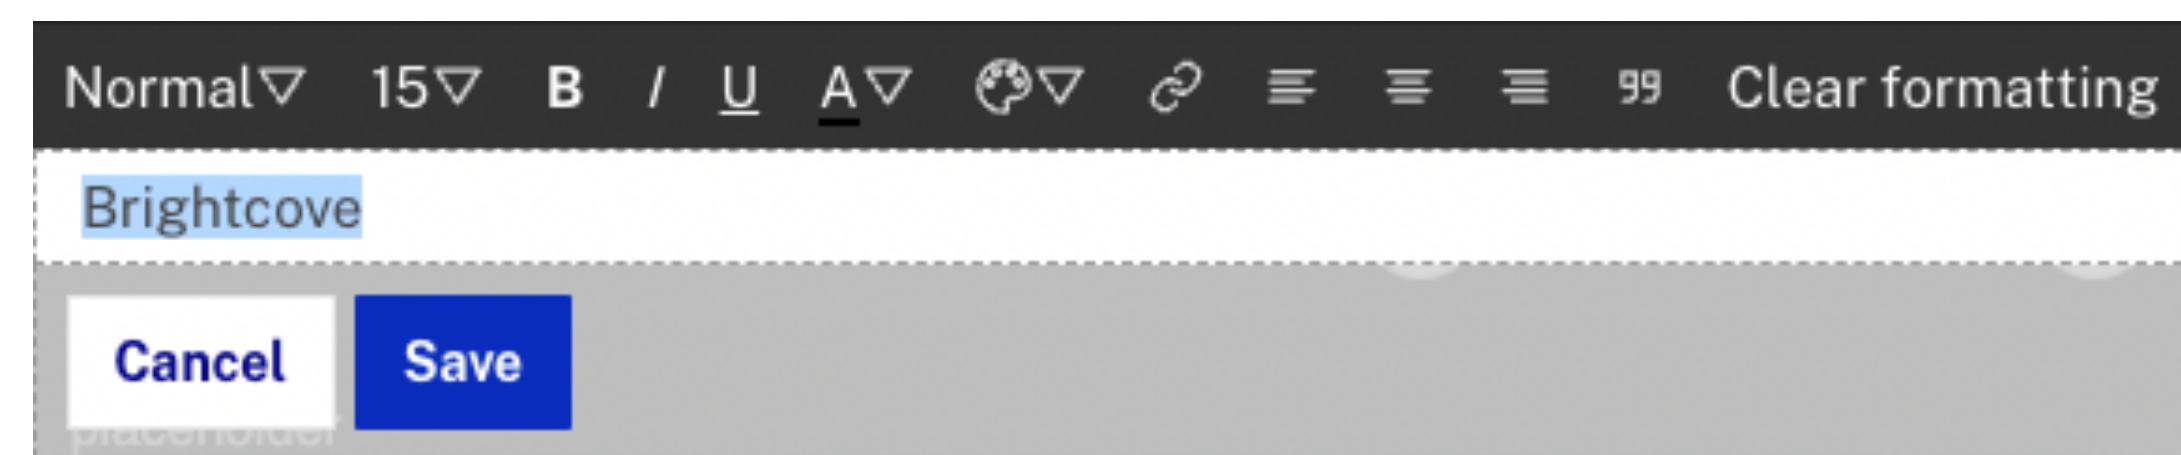

# Deleting Objects

- **Images** - Hover over the object and delete

- **Text** - Click the object, clear text and then **Save**

# Hands-on Task: Adding Objects to Pages

All Collections

Collection 1

The screenshot shows the Brightcove 'Manage Collections' interface. At the top, there's a back navigation link ('Back to All Experiences > Animal World'), a 'Manage Collections' title, and a blue 'Preview ▾ | Publish' button. Below this is a 'Collections' section with a 'Collection Name' input field and a set of icons for edit, delete, and add. To the right, a 'MARQUEE HOME LAYOUT' is previewed, featuring a large video player for 'First Video of Collection 1' and a sidebar labeled 'All Collections' which also displays 'Collection 1'. The entire interface is styled with a clean, modern look.

# Creating a Collection

- Enter a name for the collection
- Use meaningful names
- Click collection name to edit

[Back to All Experiences > Animal World](#)

## Manage Collections

The screenshot shows a user interface titled "Manage Collections". At the top right is a blue button labeled "Add New Collection". Below it is a table with two rows, each representing a collection. The first row contains the name "Birds" and the second row contains the name "Animals". To the right of each name is a set of four icons: a pencil for edit, a folder for details, a trash can for delete, and a plus sign for add. The entire interface has a clean, modern design with a light gray background.

# Stay Connected Settings

- Provide viewers with easy access to your social media sites

The screenshot shows a website layout for 'MODUS CYCLES'. At the top, there's a red header bar with the brand name. Below it is a main content area featuring a large video thumbnail of a cyclist on a track. To the right of the video, there's a title 'LOREM BICYCLES CR550' and some placeholder text. Below the video, there's a 'share:' button with icons for various social media platforms. The main content area contains a grid of smaller video thumbnails, each labeled with 'Lorem Bicycles' and a timestamp of '0:08'. At the bottom of the page, there's a footer section with the 'MODUS CYCLES' logo and a 'STAY CONNECTED' link, followed by social media icons for Facebook, Twitter, and LinkedIn.
