Creating a New Experience

- Click Portal, locate a template and click Choose

Screenshot of the Brightcove Video Cloud interface showing the "Create Experience" section. The top navigation bar includes "brightcove VIDEO CLOUD", "GALLERY ▾", "SUPPORT ▾", "ADMIN ▾", and "BRIGHTCOVE LEARNING GALLERY ▾ Bob Bailey". Below the navigation is a teal header with "Back to All Experiences" and a "Create Experience" button. A filter bar allows selecting "All", "Portal", "In-Page", "Landing Page", or "Event", with "Portal" currently selected. A dropdown menu shows "Filter by No filter".

The main content area displays three experience templates:

- Catalogue Portal**: Suitable for libraries of 200+ videos, supports four-level hierarchy, custom image & description for collections, and call-to-action and ad support. It includes a "View Live Example" and a "Choose" button. Below the description is a screenshot of a "Lorem Equipment" page featuring a video player and a grid of video thumbnails.
- Discovery Portal**: Suitable for up to 200 videos, plays sequential videos seamlessly. It includes a "View Live Example" and a "Choose" button. Below the description is a screenshot of a "Modus: Discovery" page featuring a large video player and a grid of video thumbnails.
- Landing Page**: Portal, Landing Page. Single-video landing page, on-page or overlay lead form, support for custom editorial content, and call-to-action and ad support. It includes a "View Live Example" and a "Choose" button. Below the description is a screenshot of a "Modus Cycles" landing page featuring a video player, a sign-up form, and a "The bikes of tomorrow ship today" banner.

Hands-on Task: Creating a Portal Experience

<https://gallery.support.brightcove.com/get-started/step-step-creating-and-publishing-portal-experience.html>

For more information on this topic:

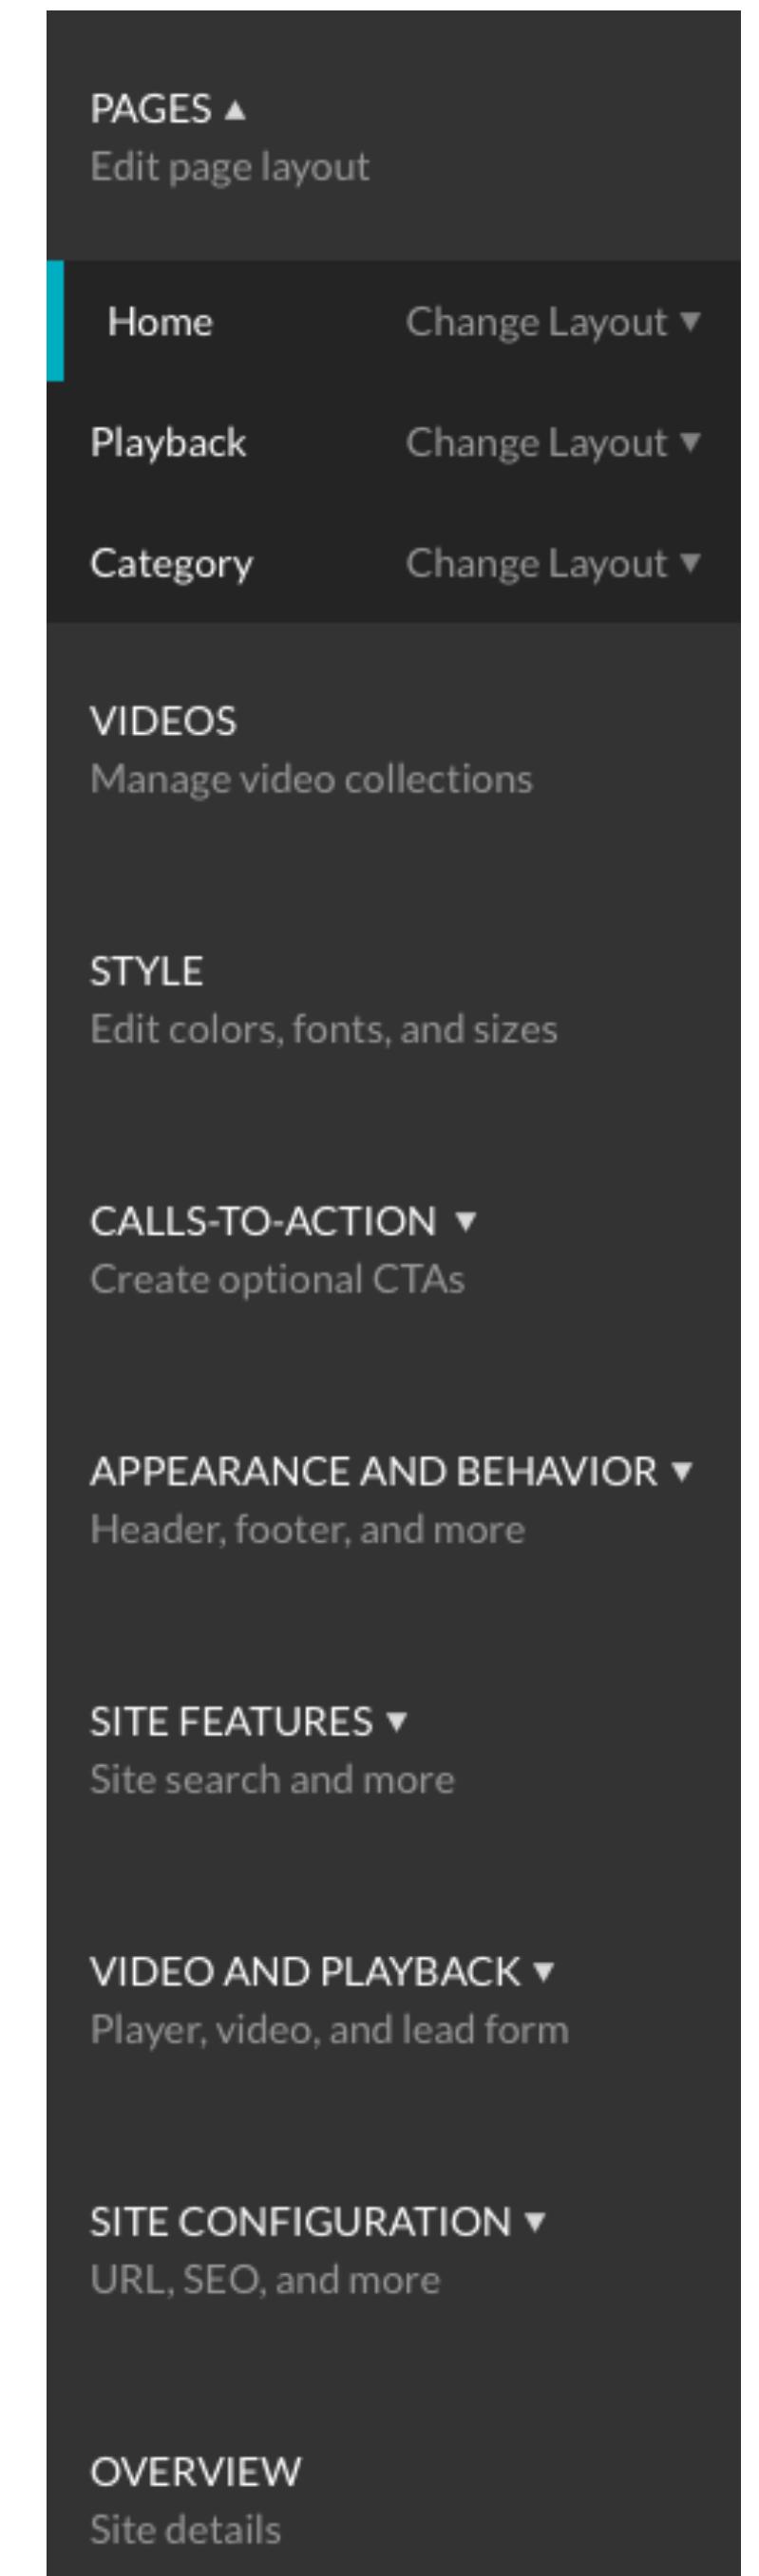

<https://gallery.support.brightcove.com/get-started/creating-and-managing-gallery-experiences.html>

Adding Objects to Pages

Gallery Site Editor

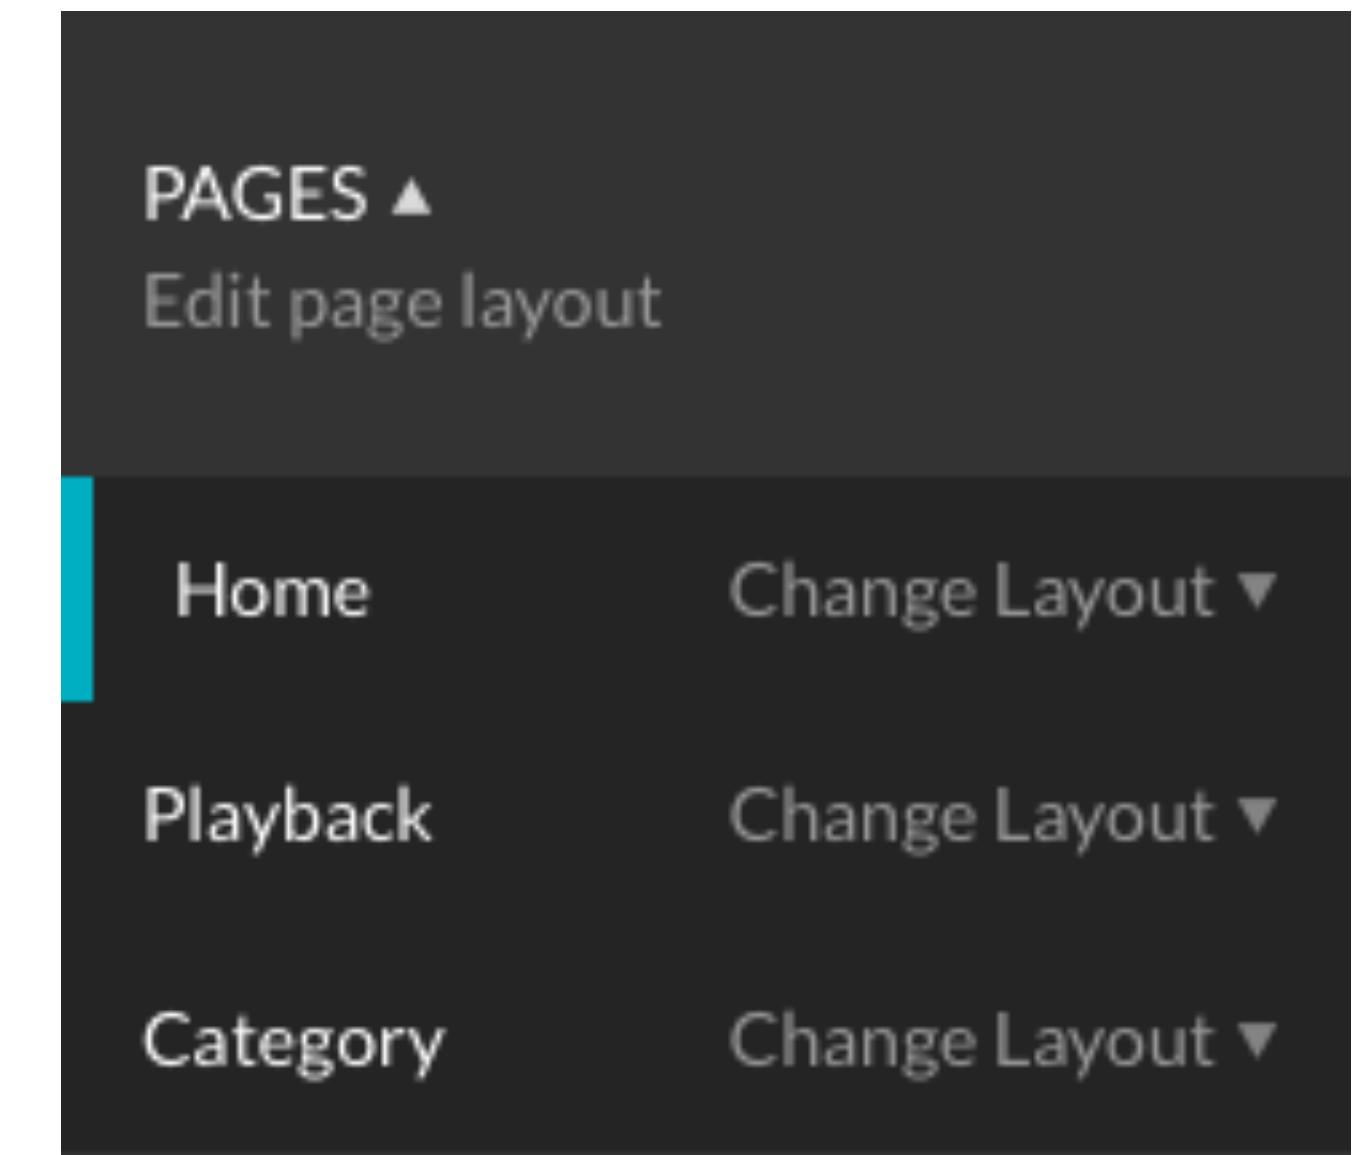

- To edit an experience, click the **Title** on the **Experiences** page
- Portal properties configured using left navigation menu

Page Navigation

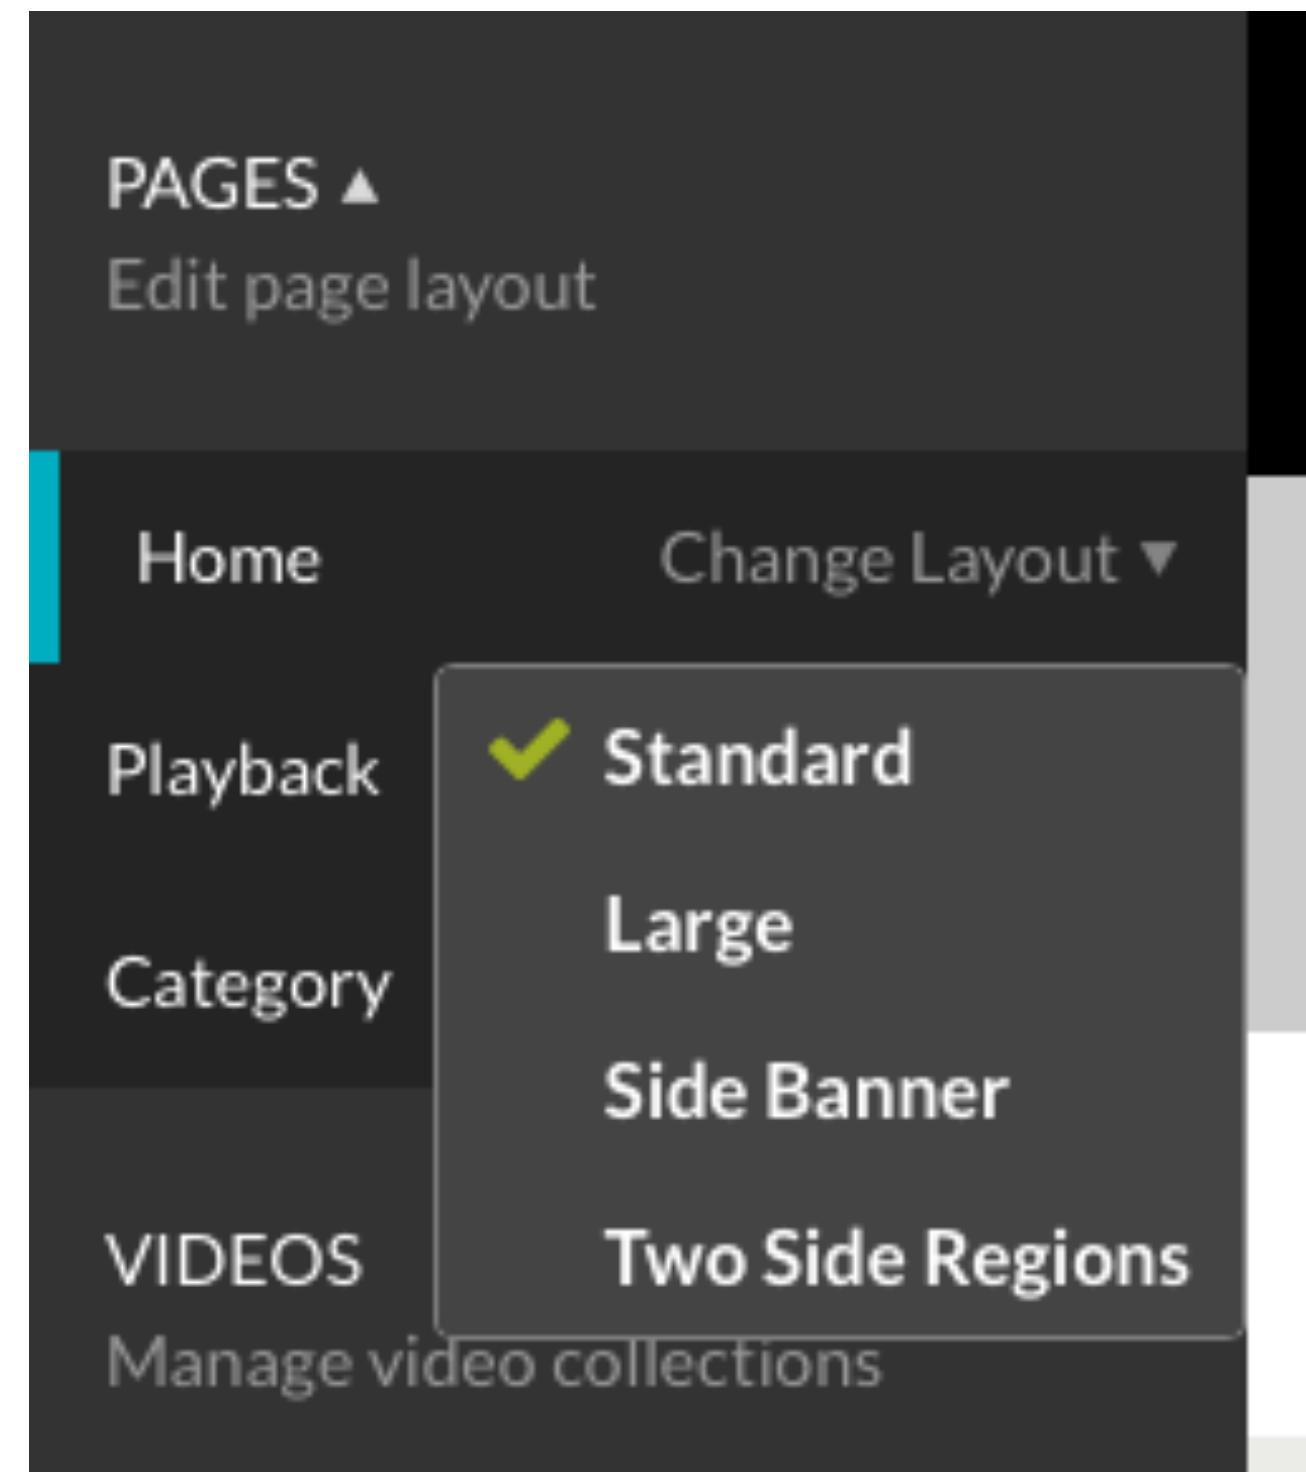

- Based upon the template that is selected, a set of pages templates will be available
- Page templates listed under **PAGES** menu
- Click a page name to view/edit the page contents
- Example - **Home**, **Playback** and **Category** pages are available to edit

Editing the Player Layout

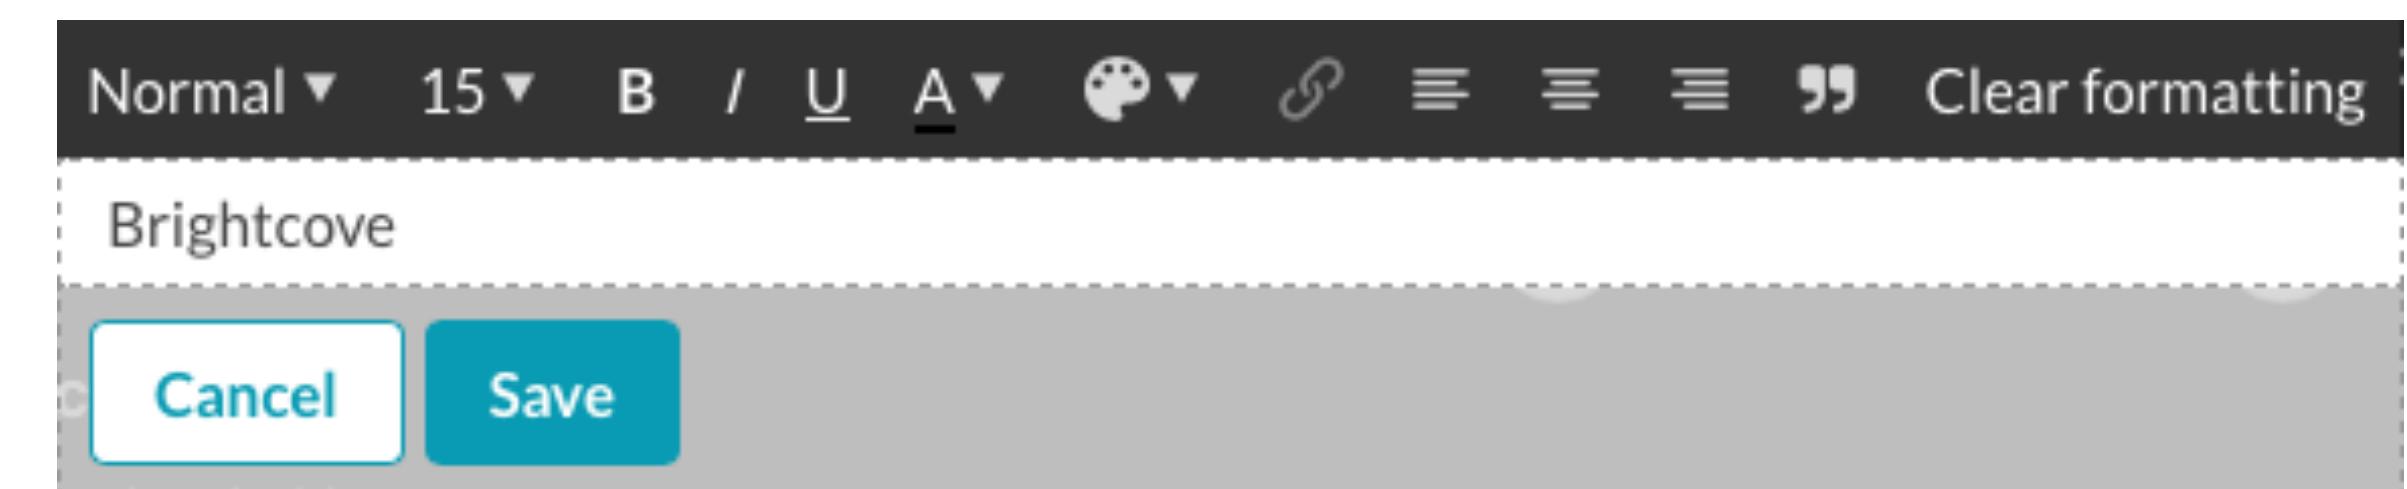

- Some page templates provide the ability to change the player layout
- Click **Change Layout** and select a new layout

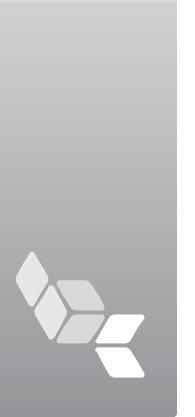

Editing the Page Content

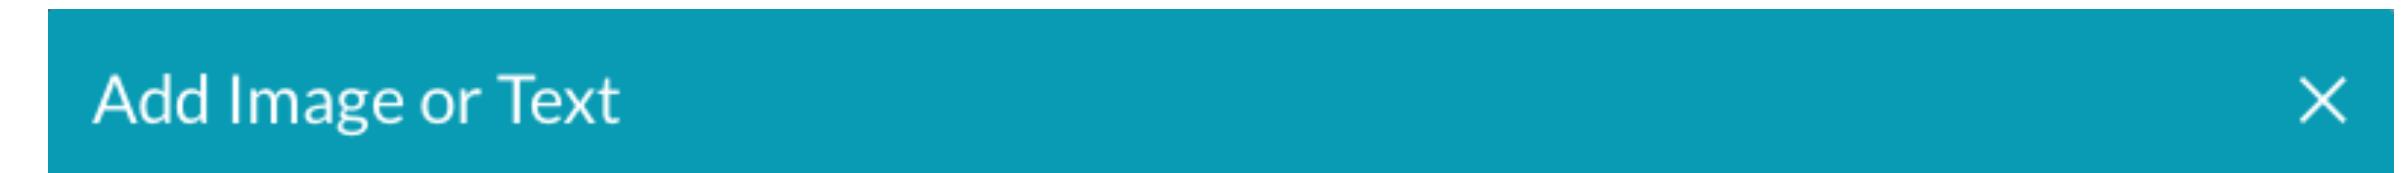

- Placeholders on the page indicate where images/text can be added
- Click a placeholder to add content
- To edit a text object on the template, click it
- Use the editor to add text

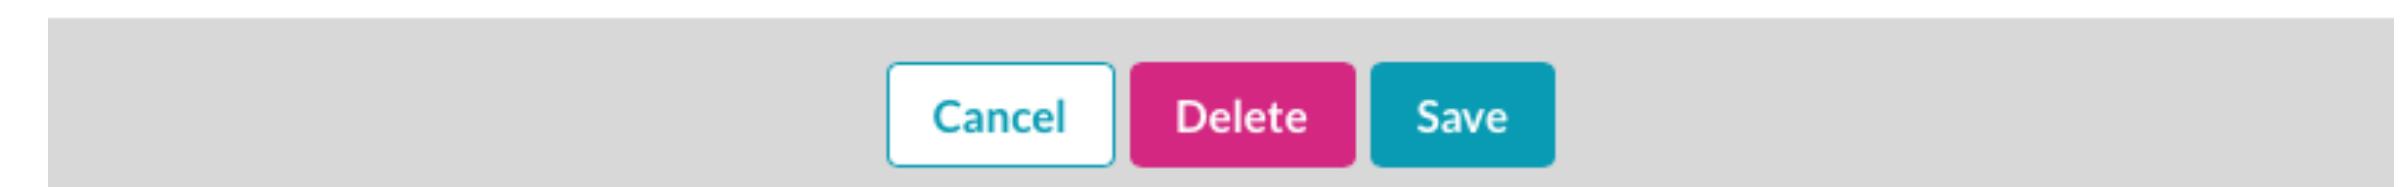

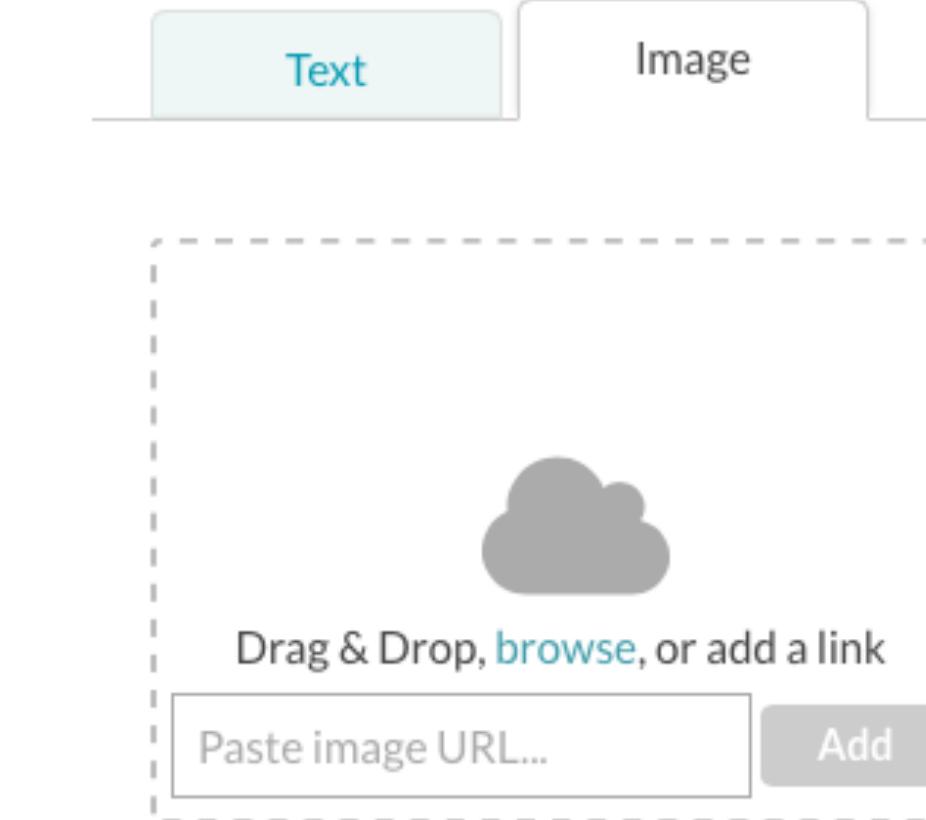

Adding an Image

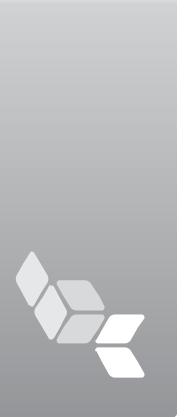

- Click  Add Image or Text

- Click Image tab

- Browse and select an image

Adding Text

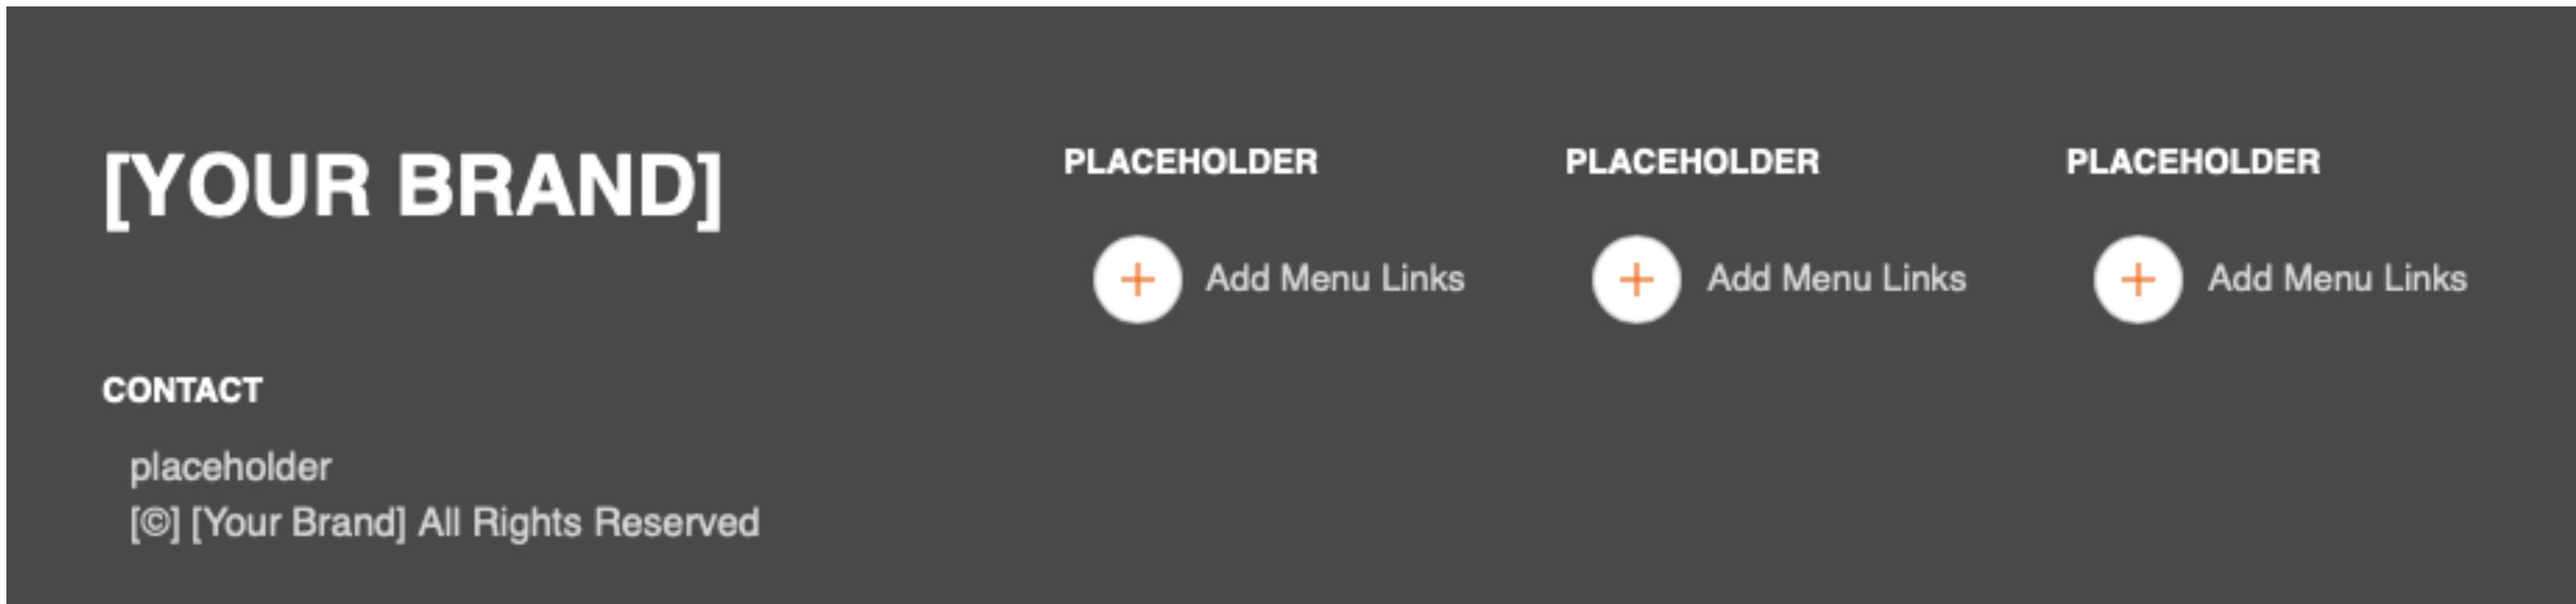

- Changes made to the page will appear real-time

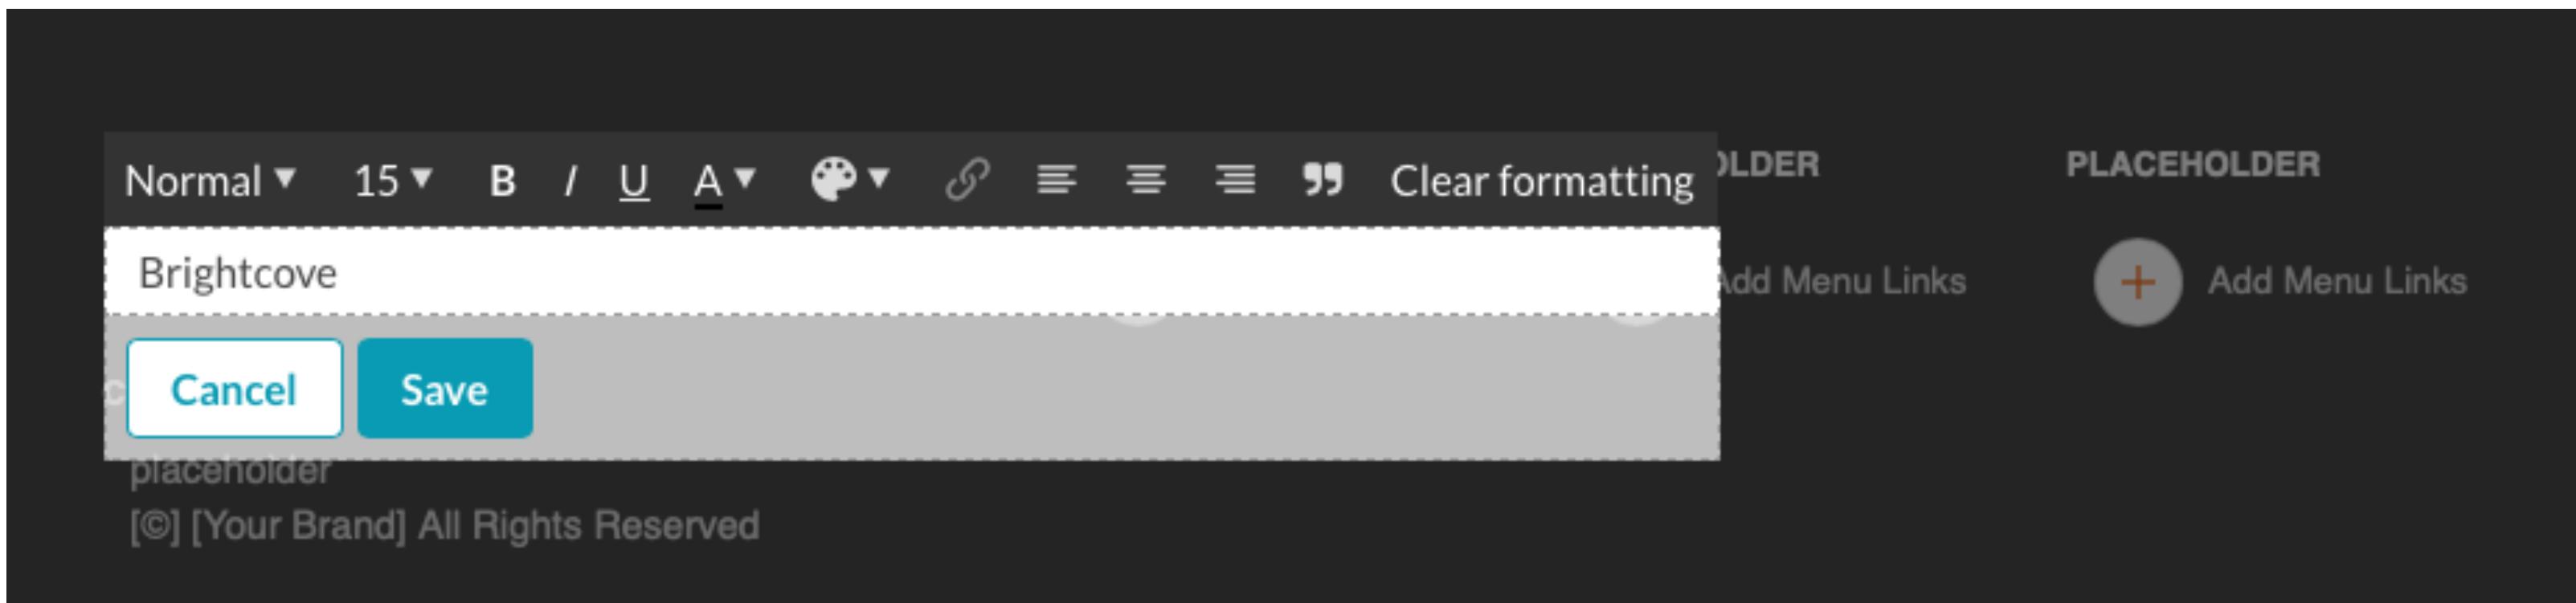

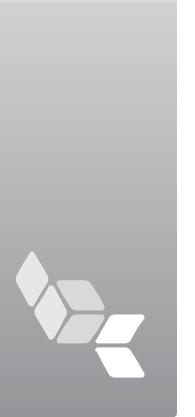

Adding Text

- Click a text placeholder

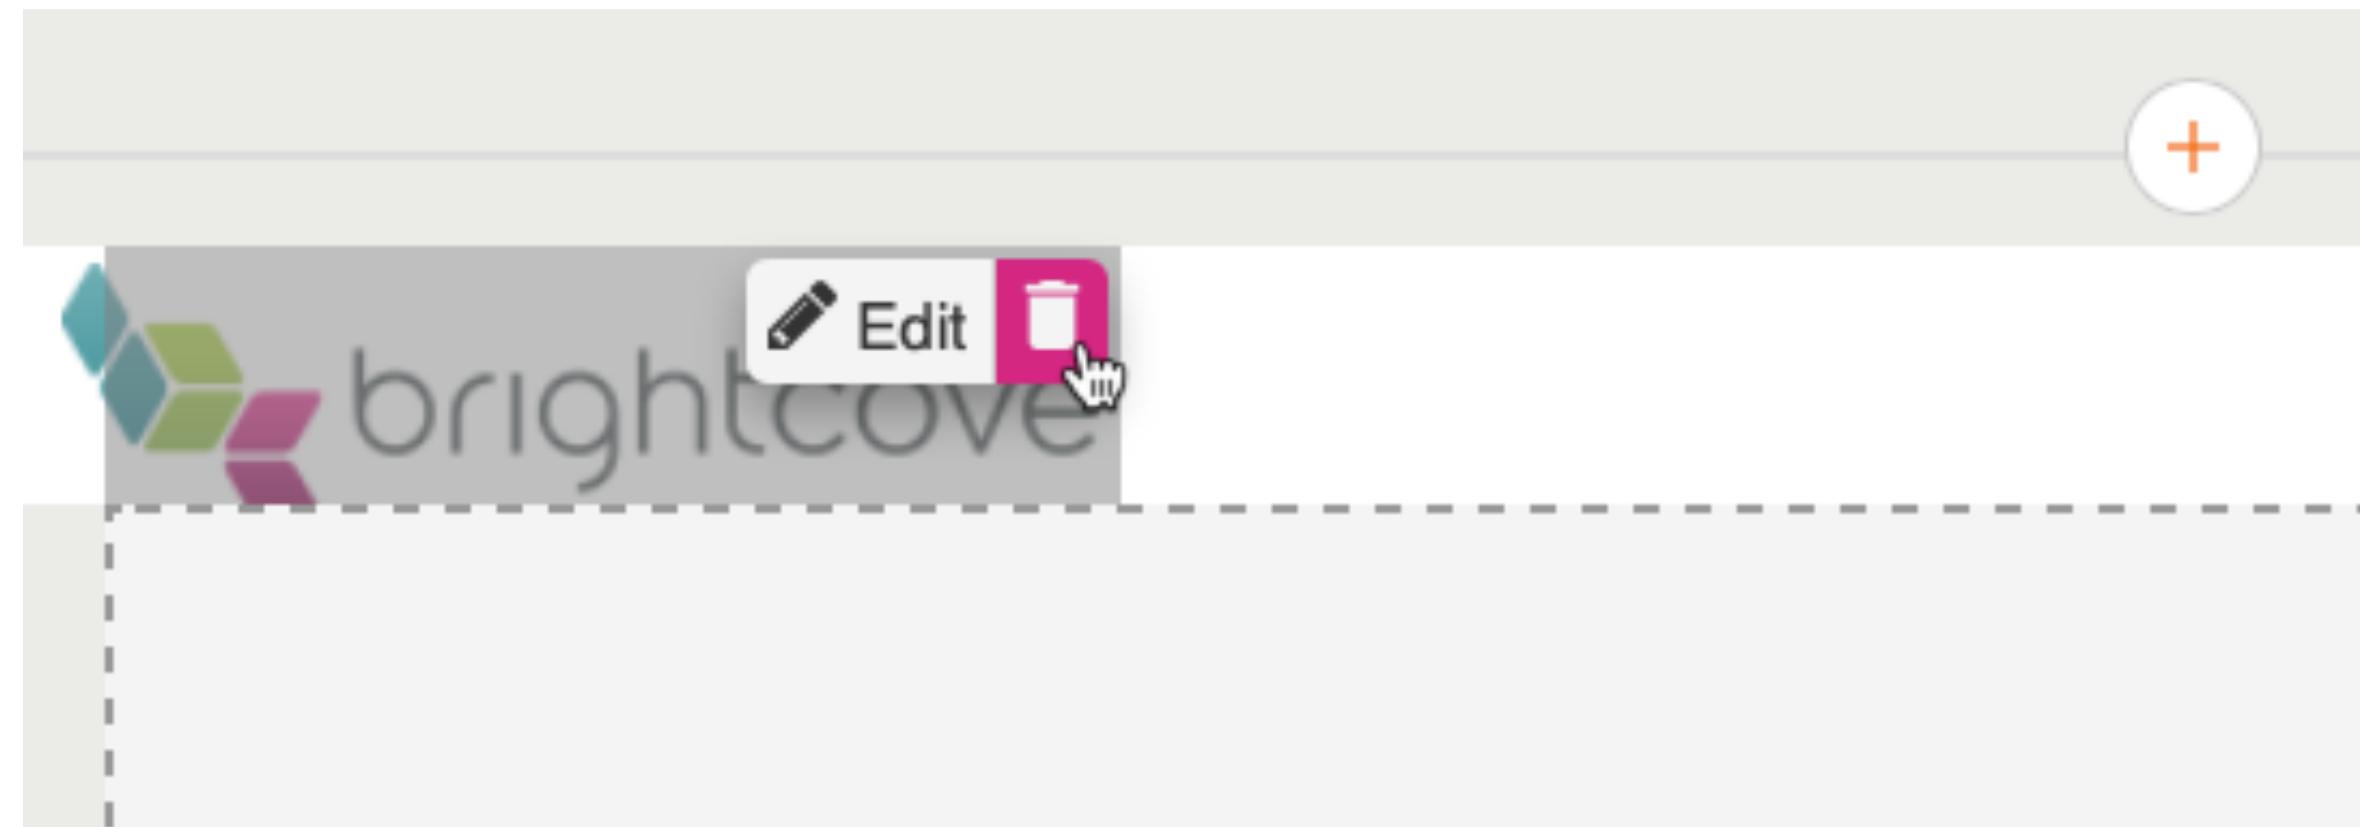

- Enter the text,
click **Save**

Deleting Objects

- **Images** - Hover over the object and delete

- **Text** - Click the object, clear text and then **Save**

Hands-on Task: Adding Objects to Pages

The screenshot shows the Modus Cycles website. At the top, there's a red header bar with the brand name "MODUS CYCLES". Below it, a navigation menu includes "BIKES", "ACCESSORIES", "HOW TO", and a search icon. The main content area features a large image of a cyclist on a track, with the text "BIKES LOREM BICYCLES CR550" overlaid. A paragraph of placeholder text follows. Below this is a "share:" button with icons for Facebook, Twitter, Google+, LinkedIn, Pinterest, and Email. To the right, there's a grid of 20 video thumbnails under the heading "BIKES 1-12 of 20". At the bottom of the page, there's a footer with the "MODUS CYCLES" logo, a "COMPANY" section, and a "STAY CONNECTED" section containing social media links for Facebook, Twitter, and LinkedIn. A red arrow points from the "STAY CONNECTED" section towards the "Social" settings on the right.
